Key points for all clubs

1

Clubs must appoint a COVID-19 Officer.

2

Clubs are to ensure that the maximum number of attendees is not exceeded.

3

Hand sanitising facilities to be made available for participants in advance of match.

4

All equipment including balls, cones, goal posts and corner flags to be sanitised before and after use.

5

Changing facilities must remain closed except for half-time (11 players + 1 coach) but access to toilet facilities should be provided with door handles and toilet mechanisms to be regularly sanitised.'

6

Social distancing guidance should be adhered to when not on the field of play. Substitute area is to be arranged to allow for social distancing. Where this cannot be accommodated in the technical areas, other arrangements should be made – e.g. use of stands, seats spread out along the side line.

7

Use of showers/ice baths is not permitted. No recovery sessions in indoor pools, ice baths, etc.

Guidance for Parents/Guardians

- Be aware of the protocols and processes within your child's club. If in doubt or not comfortable about your child(ren) returning to football, there is no pressure to do so.

IN ADVANCE OF MATCHES TAKING PLACE

- As we progress through the Malta FA plan, there will be changes in football activity including the introduction of new arrangements and unfamiliar restrictions; support those who are providing a safe re-introduction to football in line with the guidance by the Malta FA and the club/venue. Ensure your child is familiar with what is expected of them.
- Make yourself aware of the measures being taken to provide a safe environment; if you are not happy with the arrangements, remove your child from that environment and send an email to covid@mfa.com.mt.
- If your child has additional disability or medical needs, discuss this specifically with the club and coach; you can then agree how/if these needs can be met within current guidance.

- Young children are more likely to struggle to maintain social distancing; please continue to do your best to help your child recognise what social distancing means, looks and feels like – this could be related to relevant arm spans or standing jumps for example.
- In line with the Malta FA guidance on travel, you or another adult from the family should travel with the child to the venue; consider all other forms of transport before using public transport and no car-sharing with anyone outside your household.
